Reward Your Current Talent Pool With Opportunities To Upgrade Their Skills

Our Upskill Training Program focuses on assisting manufacturers with the development of the existing talent within their businesses. We provide funding to support employers interested in implementing a training program that will upgrade the skill level of their current employees. It's a Win-Win for your employees and your business!

ADVANTAGES

- A percentage of the training costs will be paid by the Fresno Regional Workforce Development Board (FRWDB).
- A more skilled and productive workforce.
- You select the employees to be trained.
- Minimal paperwork to complete.
- Training tailored around common manufacturing principles, *i.e.,* vocational English comprehension, troubleshooting, blueprint reading, etc.

OUR COMMITMENT

- Invest in part of the skills upgrade training costs.
- Recommend and connect you with industry specific training providers, if needed.

YOUR ROLE

- Contribute a percentage of training costs or wages (% differs per employer and can include in-kind such as wages and benefits paid while in training).
- Retain employees upon successful completion of the training for a 12-month period.
- Secure the training provider.
